

NORTHREACH

September 2021

Check out what we have been up to last month!

SUPERVISED CONSUMPTION SERVICES

- 38% of referrals this month were for medical services.
- 23% of referrals this month were for recovery-oriented care supports.

COMMUNITY ENGAGEMENT

- FASD Awareness Day
- International Overdose Awareness Day
- Thriving in the City - GPRC

We can join your event too!
Reach out on Facebook or
info@northreach.ca to invite us.

We handed out a total of 417 naloxone kits.

This is the most kits we've ever handed out in a single month!

19

The number of individuals tested for STBBI

Need to get tested?
Call 780-512-5477 to book an appointment!

Housing First:

- Housed 4 new clients
- 1 client graduated after a successful year in the graduate program
- A single parent was provided housing with their child.
- 1 client enrolled in college after securing housing.
- The housing team collaborated with the Northern Addictions Centre to provide a client housing after successfully completing treatment.

BINDER BUDDIES

3 individuals in the Binder Buddies program were provided gender affirming gear.
Check out Binder Buddies GP on Facebook and Instagram.
