

Seeking research study participants— Are you a person living with HIV, mental health concerns, and cannabis use?

**We are studying the
relationship between cannabis
use and mental health within
the HIV community.**

**You are invited to complete a
confidential 1-hour phone interview.**

Interviews will be conducted in English. Participants will be asked to complete a short demographic questionnaire. All participants will provide consent before participating in the study. Compensation will be provided for study participation.

**If you are interested in participating,
please contact the Research
Coordinator to learn more!**

Eligibility

- Living with HIV and 18+ years old
- Consumed cannabis in the last 6 months
- Living with mental health concerns or mental illness

**And you are a member of any
of these groups:**

- Two-Spirit, Lesbian, Gay, Bisexual, Transgender, Questioning or Queer
- Racialized community member (such as Black, South Asian)
- First Nations, Inuit and Métis Peoples
- People who use drugs
